**SIDE  
EVENT**

## **RIGHTS-BASED APPROACHES IN THE WORLD HERITAGE SYSTEM: LEARNING FROM PRACTICE**

**When:** Thursday, June 19<sup>th</sup>, at 13.15

**Where:** Advisory Body space, Meeting Room 232

What can we learn from practice in order to strengthen rights-based approaches in the World Heritage system? Delegates are cordially invited to attend this side-event, which informs about on-going Advisory Body work to address rights-based approaches in the World Heritage system as well as offering a space for discussion. An overview report with results and outcomes of the recently held expert meeting in Oslo will be launched and distributed at the side-event.

**MC** of the side-event: Mr. Tim Badman, IUCN.
